

**oxyPRO**  
CLEANING SYSTEM

Solution,  
Simplified

Automated Laundry  
Dosing Solutions

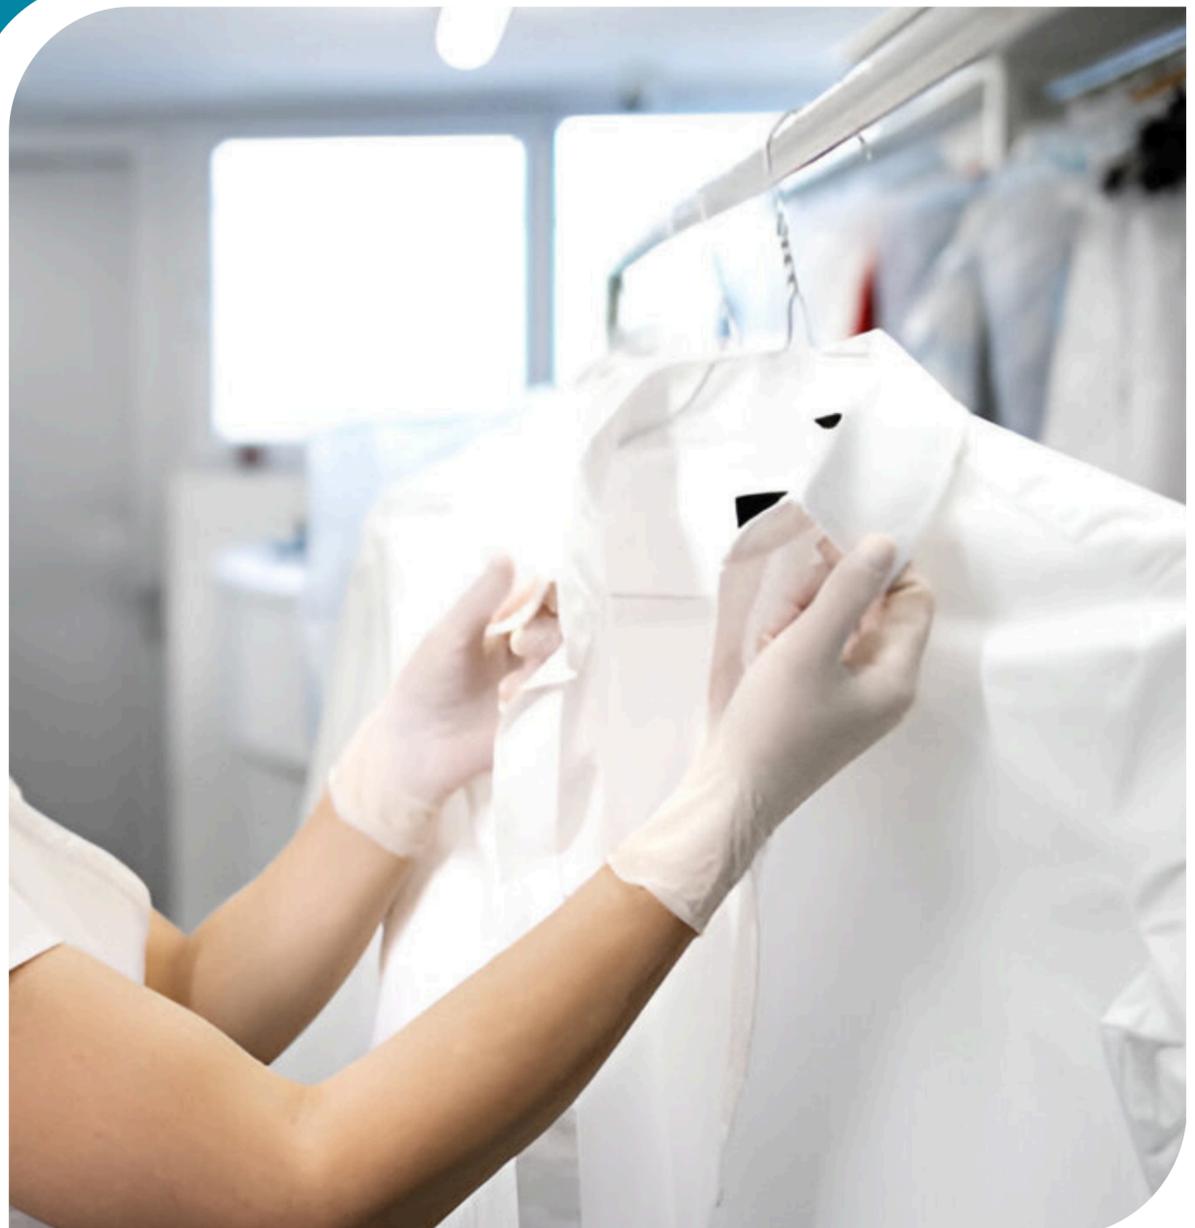

# Precise dosing of laundry chemical

**LOW COST**  
per kilo

Optimize consumption through efficient and precise dispensing that translates directly into substantial cost savings over time.

cost-saving,  
consistent quality

extend laundry life,  
reduce degradation

## Outstanding laundry results every cycle

Eliminate the variability of  
manual dosing.

Our system utilizes  
advanced technology to  
dispense precise chemical  
dosing for each load,  
guaranteeing consistent,  
high-quality results and  
minimizing re-washes.

# OXYPRO

## CLEANING SYSTEM

The **OxyPro Plus Dispensing System** combines high-quality cleaning chemicals and efficient dispensing system for optimal cleaning and sanitation.
